and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary.

(b) *Annualization of income.* If it is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income), or the PHA believes that best income is the best available indicator of expected future income, the PHA may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

(c) If it is not feasible to anticipate a level of income over a 12-month period, the income anticipated for a shorter period may be annualized, subject to a redetermination at the end of the shorter period.

(1) FR 16488, Oct. 12, 1985, as amended at: 41 FR 16715, Mar. 23, 1986.

EFFECTIVE DATE NOTE: At 41 FR 16716, Mar. 23, 1986, 55.611 was amended by removing and reserving paragraph (c)(1)(i), by revising paragraphs (c)(1)(iv) and (c), and by removing paragraph (d), effective Apr. 23, 1986. For the convenience of the user, the superseded text is set forth as follows:

55.611 Annual income.

(c) . . .

(d) . . .

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$20 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiation/coordination. No resident may receive more than one such stipend during the same period of time.

(d) *For public housing only.* In addition to the exclusions from annual income covered in paragraph (c) of this section, a PHA may adopt additional exclusions for earned income payments to an established written policy.

(i) In establishing such a policy, a PHA must adopt one or more of the following types of earned income exclusions, including variations thereof:

(ii) Exclude all or part of the family's earned income.

(iii) Apply the exclusion only to new sources of earned income or only to increases in earned income.

(iv) Apply the exclusion to the earned income of the head, the spouse, or any other family member age 18 or older.

(v) Apply the exclusion only to the earned income of persons other than the primary earner.

(vi) Apply the exclusion to applicants, newly admitted families, moving families, or persons leaving the family.

(vii) Make the exclusion temporary or permanent, for the PHA, the family, or the affected family member.

(viii) Make the exclusion pro-rated, so that more earned income is excluded at first and less earned income is excluded after a period of time.

(ix) Exclude any or all of the costs that are incurred in order to go to work but are not compensated, such as the cost of special tools, equipment, and clothing.

(x) Exclude any or all of the costs that result from earning income, such as social security taxes or other taxes that are withheld in payroll deductions.

(xi) Exclude any portion of the earned income that is not available to meet the family's own needs, such as amounts that are paid to someone outside the family for all-maintenance or child support.

(xii) Exclude any portion of the earned income that is necessary to replace benefits lost because a family member becomes employed, such as amounts that the family pays for medical costs or to obtain medical insurance.

(xiii) Any amounts that are excluded from annual income under this paragraph (d) may not also be deducted in determining adjusted income, as defined in 55.611.

(xiv) Housing agencies do not need HUD approval to adopt optional earned income exclusions.

(v) In the calculation of Performance Funding System operating subsidy eligibility, housing agencies will have to absorb any loss in rental income that results from the adoption of any of the optional earned income exclusions discussed in paragraph (d)(1) of this section, including any variations of the listed options.

55.611 M.I.d. ———

Adjusted income means annual income (as determined by the responsible entity) of the members of the family residing or intending to reside in the dwelling unit, after making the following deductions:

(a) **Mandatory deductions.** In determining adjusted income, the responsible entity must deduct the following amounts from annual income:

(1) \$400 for each dependent;

(2) \$400 for any elderly family or disabled family;

(3) The sum of the following, to the extent the sum exceeds three percent of annual income:

(i) Unreimbursed medical expenses of any elderly family or disabled family; and

(ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed, but this allowance may not exceed the earned income received by family members who are 18 years of age or older who are able to work because of such attendant care or auxiliary apparatus; and

(3) **Any** reasonable child care expense necessary to enable a member of the family to be employed or to further his or her education.

(b) **Permissible deductions—for public housing only.** For public housing only, a PHA may adopt additional deductions from annual income. The PHA must establish a "write-off" policy for HUD deductions.

(d) For any elderly family or disabled family

(i) That has no disability assistance expense, an allowance for medical expenses equal to the amount by which the medical expenses exceed three percent of annual income;

(ii) That has disability assistance expenses greater than or equal to three percent of annual income, an allowance for disability assistance expenses computed in accordance with paragraph (c) of this section, plus an allowance for medical expenses that is equal to the family's medical expenses;

§5.613 Public housing program and Section 8 tenant-based assistance program: PHA cooperation with welfare agency.

(a) This section applies to the public housing program and the Section 8 tenant-based assistance program.

(b) The PHA must make best efforts to enter into cooperation agreements with welfare agencies under which such agencies agree:

(1) To target public assistance, benefits and services to families receiving assistance in the public housing program and the Section 8 tenant-based assistance program to achieve self-sufficiency;

(2) To provide written verification to the PHA concerning welfare benefits for families applying for or receiving assistance in these housing assistance programs.

EFFECTIVE DATE NOTE: At 65 FR 18717, Mar. 23, 2000, §5.613 was revised, effective Apr. 23, 2000. For the convenience of the user, the superseded text is set forth as follows:

If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under paragraph (c) of section 3(a)(1) of the 1937 Act (42 U.S.C. 1437a(a)(1)(C)) shall be the amount resulting from one application of the percentage.

project because there is an insufficient number of potential applicants who are very low-income families:

(iv) Commitment of an owner to attaining occupancy by families with a broad range of incomes, as evidenced in the application for development. An application citing this basis should be supported by evidence that the owner is pursuing this goal throughout its assisted projects in the community; and

(v) Project supervision by a State Housing Finance Agency having a policy of occupancy by families with a broad range of incomes, supported by evidence that the Agency is pursuing this goal throughout its assisted projects in the community or a project with financing through Section 11(b) of the 1937 Act (42 U.S.C. 1437(b)) or under Section 103 of the Internal Revenue Code (26 U.S.C. 103).

(2) For public housing only. (i) Need for admission of a broader range of tenants to obtain full occupancy.

(ii) Local commitment to attaining occupancy by families with a broad range of incomes. An application citing this basis should be supported by evidence that the PHA is pursuing this goal throughout its housing program in the community.

(iii) Need for higher incomes to maintain homeownership eligibility in a homeownership project; and

(iv) Need to avoid displacing low-income families from a project acquired by the PHA for rehabilitation.

(c) Action on request for exception. Whether to grant any request for exception is a matter committed by law to HUD's sole discretion, and no implication is intended to be created that HUD will seek to grant approvals up to the maximum limits permitted by statute, nor is any presumption of an entitlement to an exception created by the specification of certain grounds for exception that HUD may consider. HUD will review exceptions granted to owners and PHAs at regular intervals. HUD may withdraw permission to exercise these exceptions for program applicants at any time that exceptions are not being used or after a periodic review, based on the findings of the review.

(d) Reporting. PHAs and owners shall comply with HUD-prescribed reporting

requirements that will permit HUD to maintain the reasonably current data necessary to monitor compliance with the income eligibility restrictions described in paragraph (a) of this section.

(a) ~~Inapplicability to certain scattered site housing.~~ The income eligibility restrictions described in paragraph (a) of this section do not apply to scattered site public housing dwelling units sold or intended to be sold to public housing tenants under section 8(h) of the 1937 Act (42 U.S.C. 1437(h)).

(f) ~~Inapplicability to the Section 8 Rental Voucher and Rental Certificate Programs.~~ The provisions of this section do not apply to the Section 8 Rental Voucher and Section 8 Rental Certificate Programs.

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.

(i) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(ii) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is notably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph (b)(6)(ii) shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section).

(c) Annual income does not include the following:

(5) Income of a live-in aide, as defined in §5.605;

24 CFR Subtitle A (4-1-00 Edition)

(i) Exclude all or part of the family's earned income:

~~Adjusted income means annual income (as determined by the responsible entity) of the members of the family residing or intending to reside in the dwelling unit, after making the following deductions:~~

§5.603

24 CFR Subtitle A (4-1-00 Edition)

§5.603 Purpose and applicability.

(a) This subpart establishes definitions and requirements concerning income limits for admission, annual income, adjusted income, total assets, payment, utility allowances and reimbursements, and reimbursement of income and family composition for:

(1) HUD's public housing programs, including its public housing homeownership programs.

(2) Housing assisted under section 8 of the United States Housing Act of 1937 (the 1937 Act) (42 U.S.C. 1437).

(3) Section 5.613 (Total tenant payment) and the definitions of "rental cost" and "total tenant payment" found in §5.602 do not apply to the Section 8 Rental Voucher Program.

(4) Section 5.613 (Utility reimbursement) and the definition of utility reimbursement found in §5.602 also do not apply to the Section 8 Rental Voucher Program. For the Voucher Program, in cases where the amount of the HAP payment exceeds the rent to owner, the excess will be paid to the family.

(5) Section 5.607 (Income limits for admission) does not apply to the Section 8 Rental Voucher and Rental Certificate Programs.

(6) Applicants and tenants assisted under sections 10(e) and 11 of the 1937 Act are in effect, by the amendment by the Housing and Community Development Act of 1974 (42 U.S.C. 1410 and 1411b (1974 ed.)).

(7) This subpart does not apply to HUD's Indian housing programs. The analogous rule that applies to Indian housing is located at 24 CFR part 98.

§5.603 Definitions.

As used in this subpart:

(a) *Terms found elsewhere in part 5--(1) Subpart A.* The terms 1937 Act, elderly person, public housing, public housing agency (PHA), and Section 8 are defined in §5.100.

(2) *Subpart D.* The terms "disabled family", "elderly family", "family", "live-in aide", and "person with disabilities" are defined in §5.602.

(b) The following terms shall have the meanings set forth below:

Adjusted income. See §5.611.

Annual income. See §5.608.

Child care expenses. Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent

such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

Dependent. A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student.

Disability assistance expenses. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

Economic self-sufficiency program. Any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families. These programs include programs for job training, employment counseling, work placement, basic skills training, education, English proficiency, workforce, financial or household management, apprenticeship, and any program necessary to ready a participant for work (including a substance abuse or mental health treatment program), or other work activities.

Extremely low income family. A family whose annual income does not exceed 30 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 30 percent of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Full-time student. A person who is attending school or vocational training on a full-time basis.

Imputed value income. See §5.615.

Low income family. A family whose annual income does not exceed 80 percent of the median income for the area.

Office of the Secretary, HUD

§5.603

as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median income for the area on the basis of HUD's findings that such variations are necessary because of unusually high or low family incomes.

Medical expenses. Medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.

Monthly adjusted income. One twelfth of adjusted income.

Monthly income. One twelfth of annual income.

Net family assets. (1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under §5.608.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

Owner has the meaning provided in the relevant program regulations. As used in this subpart, where appropriate,

the term "owner" shall also include a "borrower" as defined in part 881 of this title.

Tenant rent. The amount payable monthly by the family as rent to the unit owner (Section 8 owner or PHA in public housing). (This term is not used in the Section 8 voucher program.)

Total tenant payment. See §5.613.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. The amount, if any, by which the utility allowance for a unit, if applicable, exceeds the total tenant payment for the family occupying the unit. (This definition is not used in the Section 8 voucher program, or for a public housing family that is paying a flat rent.)

Very low income family. A family whose annual income does not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Welfare assistance. Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments.

Work activities. See definition at section 467(d) of the Social Security Act (42 U.S.C. 667(d)).

of "full-time student", "tenant rent", and "utility reimbursement", and by adding definitions of "economic self-sufficiency program", "extremely low income family", "imputed welfare income", "low income family", "very low income family", and "work activities", and in the definition of "owner", by removing the phrase "24 CFR part 885" and replacing it with "part 881 of this title", effective Apr. 21, 2000. For the convenience of the user, the superseded text is set forth as follows:

§ 5.605 Definitions.

(a) The terms *elderly person*, *low-income family*, *person with disabilities*, *State*, and *very low-income family* are defined in section 3(b) of the 1937 Act (42 U.S.C. 1437a(b)).

(b) The terms *1937 Act* and *public housing agency (PHA)* are defined in § 5.102.

(c) The terms *disabled family*, *elderly family*, *family*, and *live-in aide* are defined in § 5.603.

Full-time student. A person who is carrying a subject load that is considered full-time for day students under the standards and practices of the educational institution attended. An educational institution includes a vocational school with a diploma or certificate program, as well as an institution offering a college degree.

Tenant rent. The amount payable monthly by the family as rent to the PHA or owner, as applicable. Where all utilities (except telephone) and other essential housing services are supplied by the PHA or owner, tenant rent equals total tenant payment. Where some or all utilities (except telephone) and other essential housing services are supplied by the PHA or owner and the cost thereof is not included in the amount paid as rent, tenant rent equals total tenant payment less the utility allowance.

Utility reimbursement. The amount, if any, by which the utility allowance for the unit, if applicable, exceeds the total tenant payment for the family occupying the unit.

§ 5.605 Overall income eligibility for admission.

No family other than a low-income family shall be eligible for admission to a program covered by this part.

24 CFR Subtitle A (4-1-00 Edition)

EFFECTIVE DATE NOTE: At 65 FR 16716, May 12, 2000, § 5.605 was removed, effective Apr. 21, 2000.

§ 5.607 Income limits for admission.

(a) **General.** (1) Admission to units available before October 1, 1981. Not more than 25 percent of the dwelling units that were available for occupancy under Annual Contributions Contracts (ACC) and Section 8 Housing Assistance Payments (HAP) Contracts taking effect before October 1, 1981 and that are leased on or after that date shall be available for leasing by low-income families other than very low-income families. HUD reserves the right to limit the admission of low-income families other than very low-income families to these units.

(2) Admission to units available on or after October 1, 1981. Not more than 15 percent of the dwelling units that initially become available for occupancy under Annual Contributions Contracts (ACC) and Section 8 Housing Assistance Payments (HAP) Contracts on or after October 1, 1981 shall be available for leasing by low-income families other than very low-income families. Except with the prior approval of HUD under paragraphs (b) and (c) of this section, no low-income family, other than a very low-income family shall be admitted to these units.

(b) **Request for exception.** A request by a PHA or owner for approval of admission of low-income families other than very low-income families to units described in paragraph (a)(2) of this section must state the basis for requesting the exception and provide supporting data. Bases for exceptions that may be considered include the following:

(i) For Section 8 Programs: (1) Low-income families that would otherwise be displaced from Section 8 Substantial Rehabilitation or Moderate Rehabilitation projects;

(ii) Low-income families that are displaced as a result of Rental Rehabilitation or Development activities assisted under section 17 of the 1937 Act (42 U.S.C. 1437e), or as a result of activities under the Rental Rehabilitation Demonstration Program;

(iii) Need for admission of a broader range of tenants to preserve the financial or management viability of a

Exhibit D

§ 960.600

24 CFR Ch. IX (4-1-00 Edition)

Approved by the Office of Management and Budget under OMB control number 2577-0170

§ 960.600 General rent requirements and other terms and conditions.

The HA shall lease units to Officers under a lease agreement that is consistent with the requirements of this section and 24 CFR part 961. The requirements of this section shall take precedence if there is any inconsistency between them and 24 CFR part 961.

(a) **Reasonable rent.** The lease shall provide for a reasonable rent, which may be a flat amount not related to the Officer's income. The HA should attempt to establish a rent that will provide an incentive to Officers to reside in the units but that is also consistent with the limited level of income requirement of § 960.507(a)(4)(ii) of this part. As required in § 960.507(a)(1) of this part, the plan must state facts and circumstances (such as the rent that would otherwise be charged for the unit, the HA's actual maintenance cost for the unit, the degree of difficulty in attracting Officers to reside in the unit, the extent of the crime problem in the development, and the anticipated benefits of the Officer's presence that determine the reasonableness of the rent amount).

(b) **Continued occupancy.** The lease shall provide that the Officer's right of occupancy is dependent on the continuation of the employment that qualified the Officer for residency in the development under the plan. The lease also shall provide that the Officer will move out of the leased unit within a reasonable period of time, to be established by the lease, after termination of employment.

§ 960.601 Applicability to the annual contributions agreement under the Performance Funding System.

(a) **Annual contributions agreement.** Except to the extent that eligibility requirements are incorporated under § 960.501 of this part, public housing units occupied by Officers in accordance with a plan submitted and approved under this chapter will be subject to the terms and conditions of the annual contributions agreement (ACC) between the HA and the United States of America. This subject does not override any of the terms and conditions of the ACC except insofar as they are inconsistent with the provisions of this subject.

(b) **Performance funding system.** For purposes of the operating subsidy under the Performance Funding System (PFS) described in part 961, subpart A of this chapter, dwelling units allocated to Officers in accordance with this subject are excluded from the total unit counts available, as defined in § 960.102 of this chapter. Also for purposes of the operating subsidy under the PFS, the full amount of any rent paid by Officers in accordance with this subject is included in other income, as defined in § 960.102 of this chapter. HAs may reserve operating subsidy

for one unit per housing development to improve economic self-sufficiency services or anti-drug programs, including housing police officers and security personnel. An HA may request consideration of such units in its calculation of operating subsidy eligibility through the appropriate local HUD Office.

Subpart F—When Resident Must Perform Community Service Activities or Self-Sufficiency Work Activities

SOURCE: 65 FR 16729, Mar. 29, 2000, unless otherwise noted.

EFFECTIVE DATE NOTE: At 65 FR 16729, subpart F to part 960 was added, effective Apr. 23, 2000.

§ 960.600 Implementation.

PHAs and residents must comply with the requirements of this subpart beginning with PHA fiscal years that commence on or after October 1, 2000. Unless otherwise provided by § 960.11 of this chapter, Annual Plans submitted for those fiscal years are required to contain information regarding the PHA's compliance with the community service requirement, as described in § 960.7 of this chapter.

§ 960.601 Definitions.

(a) **Definitions found elsewhere.**

(1) **General definitions.** The following terms are defined in part 1, subpart A of this title: *public housing, public housing agency (PHA).*

(2) **Definitions concerning income and rent.** The following terms are defined in part 1, subpart F of this title: *economic self-sufficiency program; work activities.*

(b) **Other definitions.** In addition to the definitions in paragraph (a) of this section, the following definitions apply:

Community service. The performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities.

Exempt individual. An adult who:

- (1) Is 62 years or older;
- (2) Is a blind or disabled individual, as defined under 216(i)(1) or 1614 of the

Office of the Assistant Secretary, HUD

§ 960.605

Social Security Act (42 U.S.C. 416(i)(1); 1932c), and who certifies that because of this disability she or he is unable to comply with the service provisions of this subpart, or

(ii) is a primary caretaker of such individual;

(3) is engaged in work activities; (4) Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 801 et seq.) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program; or

(5) is a member of a family receiving assistance, benefits or services under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 801 et seq.) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program, and has not been found by the State or other administering entity to be in noncompliance with such a program.

Service requirement. The obligation of each adult resident, other than an exempt individual, to perform community service or participate in an economic self-sufficiency program required in accordance with § 960.603.

§ 960.606 General requirements.

(a) **Service requirement.** Except for any family member who is an exempt individual, each adult resident of public housing must:

(1) Contribute 8 hours per month of community service (not including political activities); or

(2) Participate in an economic self-sufficiency program for 8 hours per month; or

(3) Perform 8 hours per month of combined activities as described in paragraphs (a)(1) and (a)(2) of this section.

(b) **Family selection of service requirement.** The lease shall specify that it shall be renewed automatically for all purposes unless the family fails to comply with the service requirement. Violation of the service requirement is grounds for nonrenewal of the lease at the end of the twelve month lease term, but not for termination of ten-

ancy during the course of the twelve month lease term (see § 966.4(i)(2)(i) of this chapter).

§ 960.606 How PHA administers service requirements.

(a) **PHA policy.** Each PHA must develop a local policy for administration of the community service and economic self-sufficiency requirements for public housing residents.

(b) **Administration of qualifying community service or self-sufficiency activities for residents.** The PHA may administer qualifying community service or economic self-sufficiency activities directly, or may make such activities available through a contractor, or through partnerships with qualified organizations, including resident organizations, and community agencies or institutions.

(c) **PHA responsibilities.** (1) The PHA policy must describe how the PHA determines which family members are subject to or exempt from the service requirement, and the process for determining any changes to exempt or non-exempt status of family members.

(2) The PHA must give the family a written description of the service requirement, and of the process for claiming status as an exempt person and for PHA verification of such status. The PHA must also notify the family of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons.

(3) The PHA must review family compliance with service requirements, and must verify such compliance annually at least thirty days before the end of the twelve month lease term. If qualifying activities are administered by an organization other than the PHA, the PHA shall obtain verification of family compliance from such third parties.

(4) The PHA must retain reasonable documentation of service requirement performance or exemption in participant files.

(5) The PHA must comply with nondiscrimination and equal opportunity requirements listed at § 1.105(a) of this title.

OCCUPANCY GUIDELINES

The corporation does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom. The Occupancy Guidelines for determining unit size shall be applied in a manner consistent with Fair Housing guidelines.

For occupancy guidelines, an adult is a person 18 years or older.

All guidelines relate to the number of bedrooms in the unit. Dwelling units will be so assigned that:

The corporation shall consider factors such as family characteristics including sex, age, or relationship, the number of bedrooms and the size of sleeping areas or bedrooms and the overall size of the dwelling unit. Consideration shall also be given for medical reasons and the presence of a live-in aide.

Single person families shall be allocated one bedroom.

[Laws in effect as of January 6, 1999] [Document not affected by Public Laws enacted between January 6, 1999 and October 26, 2000] [CITE: 42USC13661]

TITLE 42--THE PUBLIC HEALTH AND WELFARE

CHAPTER 135--RESIDENCY AND SERVICE REQUIREMENTS IN FEDERALLY ASSISTED HOUSING

SUBCHAPTER V--SAFETY AND SECURITY IN PUBLIC AND ASSISTED HOUSING

Sec. 13661. Screening of applicants for federally assisted housing

(a) Ineligibility because of eviction for drug crimes

Any tenant evicted from federally assisted housing by reason of drug-related criminal activity (as such term is defined in section 1437a(b) of this title) shall not be eligible for federally assisted housing during the 3-year period beginning on the date of such eviction, unless the evicted tenant successfully completes a rehabilitation program approved by the public housing agency (which shall include a waiver of this subsection if the circumstances leading to eviction no longer exist).

(b) Ineligibility of illegal drug users and alcohol abusers

(1) In general

Notwithstanding any other provision of law, a public housing agency or an owner of federally assisted housing, as determined by the Secretary, shall establish standards that prohibit admission to the program or admission to federally assisted housing for any household with a member--

(A) who the public housing agency or owner determines is illegally using a controlled substance; or

(B) with respect to whom the public housing agency or owner determines that it has reasonable cause to believe that such household member's illegal use (or pattern of illegal use) of a controlled substance, or abuse (or pattern of abuse) of alcohol, may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

(2) Consideration of rehabilitation

In determining whether, pursuant to paragraph (1) (B), to deny admission to the program or federally assisted housing to any household based on a pattern of illegal use of a controlled substance or a pattern of abuse of alcohol by a household member, a public housing agency or an owner may consider whether such household member--

(A) has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable);

(B) has otherwise been rehabilitated successfully and is no

Exhibit I

longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable); or

(C) is participating in a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable).

(c) Authority to deny admission to criminal offenders

Except as provided in subsections (a) and (b) of this section and in addition to any other authority to screen applicants, in selecting among applicants for admission to the program or to federally assisted housing, if the public housing agency or owner of such housing (as applicable) determines that an applicant or any member of the applicant's household is or was, during a reasonable time preceding the date when the applicant household would otherwise be selected for admission, engaged in any drug-related or violent criminal activity or other criminal activity which would adversely affect the health, safety, or right to peaceful enjoyment of the premises by other residents, the owner, or public housing agency employees, the public housing agency or owner may--

(1) deny such applicant admission to the program or to federally assisted housing; and

(2) after the expiration of the reasonable period beginning upon such activity, require the applicant, as a condition of admission to the program or to federally assisted housing, to submit to the public housing agency or owner evidence sufficient (as the Secretary shall by regulation provide) to ensure that the individual or individuals in the applicant's household who engaged in criminal activity for which denial was made under paragraph (1) have not engaged in any criminal activity during such reasonable period.

(2) Despite the ineligibility of one or more family members, a mixed family may be eligible for one of the three types of assistance provided in §§5.515 and 5.516, a family without any eligible members and receiving assistance on June 30, 1986 may be eligible for temporary deferral of termination of assistance as provided in §§5.515 and 5.516.

§5.508 Submission of evidence of citizenship or eligible immigration status.

(a) *General.* Eligibility for assistance or continued assistance under a Section 214 covered program is contingent upon a family's submission to the responsible entity of the documents described in paragraph (b) of this section for each family member. If one or more family members do not have citizenship or eligible immigration status, the family members may exercise the election not to contend to have eligible immigration status as provided in paragraph (c) of this section, and the provisions of §§5.515 and 5.516 shall apply.

(b) *Evidence of citizenship or eligible immigration status.* Each family member, regardless of age, must submit the following evidence to the responsible entity.

(1) For U.S. citizens or U.S. nationals, the evidence consists of a signed declaration of U.S. citizenship or U.S. nationality. The responsible entity may request verification of the declaration by requiring presentation of a United States passport or other appropriate documentation, as specified in HUD guidance.

(2) For noncitizens who are 62 years of age or older or who will be 62 years of age or older and receiving assistance under a Section 214 covered program on September 30, 1986 or applying for assistance on or after that date, the evidence consists of:

(i) A signed declaration of eligible immigration status; and

(ii) Proof of age document.

(c) *Declaration.* (1) For each family member who contends that he or she is a U.S. citizen or a noncitizen with eligible immigration status, the family must submit to the responsible entity a written declaration, signed under penalty of perjury, by which the family member declares whether he or she is a U.S. citizen or a noncitizen with eligible immigration status.

(i) For each adult, the declaration must be signed by the adult.

(ii) For each child, the declaration must be signed by an adult residing in the assisted dwelling unit who is responsible for the child.

(2) *For Housing covered programs:* The written declaration may be incorporated as part of the application for housing assistance or may constitute a separate document.

(d) *Verification consent form.* (1) Who signs. Each noncitizen who declares eligible immigration status (except certain noncitizens who are 62 years of age or older as described in paragraph (b)(2) of this section) must sign a verification consent form as follows.

(i) For each adult, the form must be signed by the adult.

(ii) For each child, the form must be signed by an adult residing in the assisted dwelling unit who is responsible for the child.

(2) *Notice of release of evidence by responsible entity.* The verification consent form shall provide that evidence of eligible immigration status may be released by the responsible entity without responsibility for the further use or transmission of the evidence by the entity receiving it, to:

(i) HUD, as required by HUD; and

(ii) The INS for purposes of verification of the immigration status of the individual.

(3) *Notice of release of evidence by HUD.* The verification consent form also shall notify the individual of the possible release of evidence of eligible immigration status by HUD. Evidence of eligible immigration status shall

Office of the Secretary, HUD

§ 5.508

only be released to the INS for purposes of establishing eligibility for financial assistance and not for any other purpose. HUD is not responsible for the further use or transmission of the evidence or other information by the INS.

(c) *Individuals who do not contend that they have eligible status.* If one or more members of a family elect not to contend that they have eligible immigration status, and other members of the family establish their citizenship or eligible immigration status, the family may be eligible for assistance under §§ 5.516 and 5.518, or § 5.520, despite the fact that no declaration or documentation of eligible status is submitted for one or more members of the family. The family, however, must identify in writing to the responsible entity, the family member (or members) who will elect not to contend that he or she has eligible immigration status.

(f) *Notification of requirements of Section 214—(1) When notice is to be issued.* Notification of the requirement to submit evidence of citizenship or eligible immigration status, as required by this section, or to elect not to contend that one has eligible status as provided by paragraph (c) of this section, shall be given by the responsible entity as follows:

(i) *Applicant's notice.* The notification described in paragraph (f)(1) of this section shall be given to each applicant at the time of application for assistance. Applicants whose applications are pending on June 19, 1985, shall be notified of the requirement to submit evidence of eligible status as soon as possible after June 19, 1985.

(ii) *Notice to tenant.* The notification described in paragraph (f)(1) of this section shall be given to each tenant at the time of, and together with, the responsible entity's notice of regular re-examination of income, but not later than one year following June 19, 1985.

(iii) *Timing of mortgagee's notice.* A mortgagee receiving Section 225 assistance must be provided the notification described in paragraph (f)(1) of this section and any additional requirements imposed under the Section 225 Program.

(2) *Form and content of notice.* The notice shall:

(i) State that financial assistance is contingent upon the submission and verification, as appropriate, of evidence of citizenship or eligible immigration status, as required by paragraph (a) of this section;

(ii) Describe the type of evidence that must be submitted, and state the time period in which that evidence must be submitted (see paragraph (g) of this section concerning when evidence must be submitted); and

(iii) State that assistance will be provided, denied or terminated, as appropriate, upon a final determination of ineligibility after all appeals have been exhausted (see § 5.516 concerning INS appeal, and informal hearing process) or, if appeals are not pursued, at a time to be specified in accordance with HUD requirements. Tenants also shall be informed of how to obtain assistance under the preservation of families provisions of §§ 5.516 and 5.518.

(g) *When evidence of eligible status is required to be submitted.* The responsible entity shall require evidence of eligible status to be submitted at the times specified in paragraph (g) of this section, subject to any extension granted in accordance with paragraph (h) of this section.

(i) *Applicants.* For applicants, responsible entities must ensure that evidence of eligible status is submitted not later than the date the responsible entity anticipates or has knowledge that verification of other aspects of eligibility for assistance will occur (see § 5.512(a)).

(2) *Tenants.* For tenants, evidence of eligible status is required to be submitted as follows:

(i) *For financial assistance under a Section 214 covered program,* with the exception of Section 225 assistance payments, the required evidence shall be submitted at the first regular re-examination after June 19, 1985, in accordance with program requirements.

(ii) *For financial assistance in the form of Section 225 assistance payments,* the mortgagee shall submit the required evidence in accordance with requirements imposed under the Section 225 Program.

(3) *New occupants of assisted units.* For any new occupant of an assisted unit (e.g., a new family member comes to

§ 5.510

24 CFR Subtitle A (5-1-01 Edition)

reside in the assisted unit), the required evidence shall be submitted at the first interim or regular reexamination following the person's occupancy.

(4) *Changing participation in a HUD program.* Whenever a family applies for admission to a Section 214 covered program, evidence of eligible status is required to be submitted in accordance with the requirements of this subpart unless the family already has submitted the evidence to the responsible entity for a Section 214 covered program.

(5) *One-time evidence requirement for continuous occupancy.* For each family member, the family is required to submit evidence of eligible status only one time during continuously assisted occupancy under any Section 214 covered program.

(b) *Extensions of time to submit evidence of eligible status.*—(1) When extension must be granted. The responsible entity shall extend the time, provided in paragraph (c) of this section, to submit evidence of eligible immigration status if the family member:

(i) Submits the declaration required under § 5.509(a) certifying that any person for whom required evidence has not been submitted is a noncitizen with eligible immigration status; and

(ii) Certifies that the evidence needed to support a claim of eligible immigration status is temporarily unavailable, additional time is needed to obtain and submit the evidence, and prompt and diligent efforts will be undertaken to obtain the evidence.

(2) *Thirty-day extension period.* Any extension of time, if granted, shall not exceed thirty (30) days. The additional time provided should be sufficient to allow the individual the time to obtain the evidence needed. The responsible entity's determination of the length of the extension needed shall be based on the circumstances of the individual case.

(3) *Grant or denial of extension to be in writing.* The responsible entity's decision to grant or deny an extension as provided in paragraph (b)(1) of this section shall be issued to the family by written notice. If the extension is granted, the notice shall specify the extension period granted (which shall not exceed thirty (30) days). If the extension is denied, the notice shall explain

the reasons for denial of the extension.

(i) *Failure to submit evidence or to establish eligible status.* If the family fails to submit required evidence of eligible immigration status within the time period specified in the notice, or any extension granted in accordance with paragraph (b) of this section, or if the evidence is timely submitted but fails to establish eligible immigration status, the responsible entity shall proceed to deny, prorrate or terminate assistance, or provide continued assistance or temporary deferral of termination of assistance, as appropriate, in accordance with the provisions of §§ 5.514, 5.515, and 5.516.

(ii) *(Reserved)*
